Alternatives for acquiring e-business systems	654	<i>Web links</i>	703
Development of web-based content and services	655		
Creating static web content	656	Glossary	705
Software and services for developing e-business		Index	722
applications	658		
Testing	662		
The testing process	662		

Supporting resources

Visit www.pearsoned.co.uk/chaffey to find valuable online resources:

Companion Website for students

- Self-assessment questions to check your understanding
- Links to relevant sites on the Web
- Additional case studies
- An online glossary to explain key terms
- Flashcards to test your understanding of key terms
- A smarter online searching guide
- Link to Dave Chaffey's blog with a collection of articles and links
- Link to Dave Chaffey's Twitter feed
- Latest updates from Dave Chaffey

For instructors

- Complete, downloadable Instructor's Manual
- PowerPoint slides that can be downloaded and used for presentations
- Testbank of question material

Also: The Companion Website provides the following features:

- Search tool to help locate specific items of content
- E-mail results and profile tools to send results of quizzes to instructors
- Online help and support to assist with website usage and troubleshooting

For more information please contact your local Pearson Education sales representative or visit www.pearsoned.co.uk/chaffey
